The Bible clearly calls all believers to pray for Jerusalem (Psalm 122:6. Isaiah 62:6). Over 1,400 of the most respected global Christian leaders (check daytopray.com for a partial listing) are calling for the Church to pray for Jerusalem the first Sunday of every October. All Christians have a biblical mandate and responsibility to pray for the city over which Jesus wept, the city to which He will soon return. The current crisis over Jerusalem has global ramifications and impact, and will only be fully resolved by God, working through the prayers of His people.
